

UTC INTENSIVE COURSE

Monday 16 – Friday 20 July 2018 | Venue: Port Macquarie Uniting Church

Practical Theology

Sign up for one of the most practice based subjects in theology.

Overview

This subject introduces individuals to the discipline of practical theology in which theory and practice are considered together across a range of ministry, such as mission, worship, pastoral care and social justice.

Students will develop an understanding of what is distinctive about Practical Theology and the range of ways in which they can work with the material in a practical way in day to day life. Starting with how we experience God, practical theology examines the relationship between experience and biblical, systematic and historical theology.

Students will develop an understanding of how practical theology informs our day to day discipleship and spirituality

Who should do this course?

- People involved in aged-care services
- Ministerial roles lay or ordained
- On a pathway to school chaplaincy – school or aged-care
- Those exploring a sense of call to discipleship
- Individuals who wish to develop their practical theology skills

What is an Intensive Course?
